Wärmebild

/thermography

Science-Look · Tech-Thumbnail · Storytelling

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Transform it into a convincing scientific thermal-camera image with a blue-to-red-to-yellow heat palette and visible temperature differences across skin, hair, accessories and clothing. Preserve identity, pose and every recognizable silhouette detail. Background: [[BACKGROUND COLOR, e.g. dark blue]].

Sichtbare Luftströmungen

/schlieren

Physik · Atem · Sound

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Create a monochrome schlieren-photography portrait. Show fine refractive air currents curling around the face, hair, accessories and shoulders against a [[BACKGROUND COLOR, e.g. black]] background, with silver edge detail and a laboratory optical-imaging aesthetic. Preserve identity and expression.

Replace [[PLACEHOLDERS]] before sending, then upload your own reference image.

Flachbettscanner-Porträt

/scanography

Albumcover · Kunstserie · Editorial

TEILWEISE

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Recreate it as true flatbed scanography: face and upper clothing close to scanner glass, shallow depth, dark surrounding scanner lid, subtle dust and glass texture, hard lateral scanner light and slight contact distortion. Preserve identity, hairstyle, accessories and clothing details. Output ratio: [[ASPECT RATIO]].

Fotogramm

/photogram

Poster · Cover · Druckgrafik

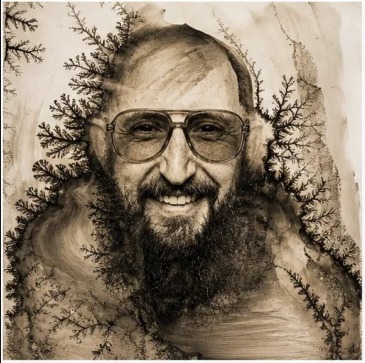

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Turn it into a high-contrast black-and-white darkroom photogram. Make the head shape, hairstyle, facial features, accessories and clothing silhouette readable as direct-contact shadows and translucent outlines on aged photographic paper, with dust and chemical edge marks. Output ratio: [[ASPECT RATIO]].

Chemigramm

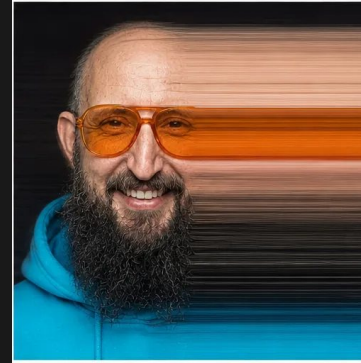

/chemigram

Fine Art · Editorial · Branding

TEILWEISE

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Create a handmade chemigram on photographic paper using developer and fixer stains, branching chemical textures, sepia-black tonal blooms and distressed paper edges. Keep the person recognizable through the actual face shape, hairstyle, facial hair, accessories and expression shown in the reference. Output ratio: [[ASPECT RATIO]].

Slit-Scan-Verzerrung

/slitScan

Musikvisual · Motion Art · Zeitthema

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Create a horizontal slit-scan portrait: keep the left half of the face recognizable and stretch the right half into long time-sliced horizontal bands. Preserve the reference image's own identity, styling and colors against a [[BACKGROUND COLOR, e.g. black]] background.

36 ausführliche Bildprompts im echten Test

Replace [[PLACEHOLDERS]] before sending, then upload your own reference image.

Fadenbild

/stringArt

DIY · Geschenk · Maker-Content

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Rebuild it as real nail-and-thread string art on a circular wooden board. Use [[BASE THREAD COLOR]] for the main facial structure and [[ACCENT COLOR 1]] plus [[ACCENT COLOR 2]] for two distinctive features taken from the reference. Preserve the actual hairstyle, facial hair, accessories and clothing silhouette. Photograph the physical artwork.

Drahtskulptur

/wirePortrait

Skulpturidee · Ausstellung · 3D-Konzept

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Transform the person into a freestanding wire sculpture in a modern gallery. Use [[BASE WIRE COLOR]], [[ACCENT COLOR 1]] and [[ACCENT COLOR 2]] to define the real head shape, hairstyle, facial features, accessories, expression and clothing silhouette. Show realistic shadows and physically plausible construction.

Replace [[PLACEHOLDERS]] before sending, then upload your own reference image.

Gepresste Pflanzen

/pressedFlowers

Papeterie · Poster · Geschenk

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Create a handmade collage of pressed flowers, leaves and petals on textured [[PAPER COLOR]] paper. Map [[ACCENT COLOR 1]] and [[ACCENT COLOR 2]] botanicals to two recognizable features from the reference, while darker plants define shadows and outlines. Preserve the actual hairstyle, accessories, expression and clothing silhouette.

Sandskulptur

/sandSculpture

Sommercontent · Event · Vorher-nachher

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Turn the person into a highly detailed life-size wet-sand sculpture on a beach. Sculpt the actual head shape, hairstyle, facial features, accessories, expression and clothing folds entirely from sand. Use [[LIGHTING, e.g. soft daylight]] with an ocean background. Do not invent or remove identity features.

36 ausführliche Bildprompts im echten Test

Eisskulptur

/iceSculpture

Winterkampagne · Event · Thumbnail

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Transform it into a transparent carved ice bust outdoors at blue hour. Preserve the actual head shape, hairstyle, facial hair, accessories, expression and clothing silhouette in clear ice with bubbles, frost and [[REFLECTION COLOR, e.g. cyan]] reflections.

Buchschnitt-Porträt

/foreEdgePainting

Publishing · Kunsthandwerk · Geschenk

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Show a real closed hardcover book whose fanned page edges reveal a detailed fore-edge painting of that person. Preserve identity, hairstyle, facial hair, accessories, expression, clothing and the reference colors. Place it in a [[SETTING, e.g. warm library]] with realistic paper texture.

36 ausführliche Bildprompts im echten Test

Drohnen-Lichtbild

/droneLightShow

Eventpitch · Festival · Markenstunt

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Create a night photograph of a large outdoor drone light show forming that person's portrait in the sky. Thousands of [[LIGHT COLOR 1]], [[LIGHT COLOR 2]] and white light points must define the actual head shape, hairstyle, facial features, accessories, expression and clothing silhouette. No text or logos.

Klangmuster-Porträt

/cymatics

Musik · Akustik · Wissenschaft

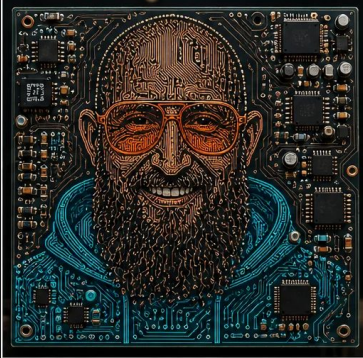

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Create a real cymatics or Chladni-plate experiment in which fine sand on a vibrating [[PLATE COLOR]] plate forms the person's recognizable face, hairstyle, accessories and clothing silhouette, surrounded by standing-wave geometry. Preserve the reference's distinctive shapes without adding new features. Laboratory macro photograph.

Replace [[PLACEHOLDERS]] before sending, then upload your own reference image.

Leiterplatten-Porträt

/pcbPortrait

Elektronik · PCB-Art · Tech-Cover

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Design a functioning [[PCB COLOR]] printed circuit board whose traces, vias and components form the recognizable face, hairstyle, accessories and clothing silhouette. Use [[TRACE COLOR 1]] and [[TRACE COLOR 2]] to distinguish two real features from the reference. Top-down product photograph, no text or logo.

Oszilloskop-Linienbild

/oscilloscope

Retro-Tech · Audio · Synthesizer

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Display it as a continuous [[PHOSPHOR COLOR, e.g. green]] vector trace on a vintage analog oscilloscope CRT. Clearly draw the actual head shape, hairstyle, facial features, accessories, expression and clothing silhouette in glowing lines. Dark workshop setting, no text.

Lentikulardruck

/lenticular

Printprodukt · Messe · Interaktive Kunst

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Photograph a physical lenticular print in a clear acrylic frame. Visible vertical ridges combine [[EXPRESSION 1]] and [[EXPRESSION 2]] while preserving identity, hairstyle, facial hair, accessories, clothing and original colors. Oblique light must prove the real lenticular surface.

Hologramm-Büste

/hologram

Zukunftsvisual · Keynote · AR und VR

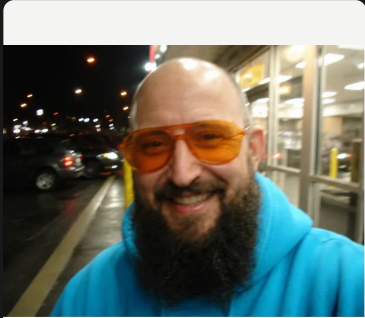

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Create a realistic tabletop volumetric hologram projector displaying a [[HOLOGRAM COLOR, e.g. cyan-blue]] bust of the person. Preserve the actual head shape, hairstyle, facial hair, accessories, expression and clothing silhouette as luminous scan lines in a dark room.

Replace [[PLACEHOLDERS]] before sending, then upload your own reference image.

Verwackeltes Nachtfoto

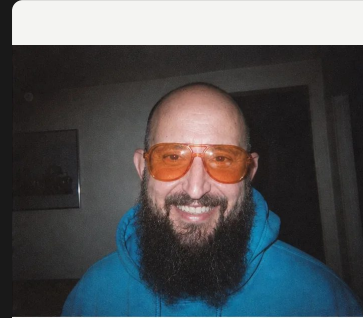

/rawPhoneNight

Street-Look · Social Post · Musikvisual

PASS

COPY-PASTE TEMPLATE

Use the uploaded image of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Make it look like a raw handheld phone snapshot outside [[NIGHT LOCATION, e.g. a convenience store]]: slight motion blur, imperfect focus, mixed neon and fluorescent light, wet pavement and casual framing. Preserve identity, body proportions, clothing, accessories and original colors.

Direktblitz-Schnappschuss

/pointAndShoot

Partylook · Retro-Cover · Story

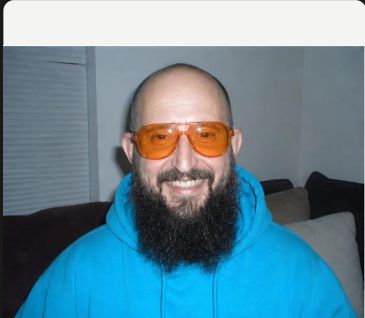

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Recreate it as a late-1990s point-and-shoot film snapshot in [[INDOOR LOCATION]]: harsh direct flash, dark background, visible grain, slight red-eye, casual off-center crop and date-free lab-print aesthetic. Preserve identity, styling and clothing.

36 ausführliche Bildprompts im echten Test

Replace [[PLACEHOLDERS]] before sending, then upload your own reference image.

Frühe Digitalkamera

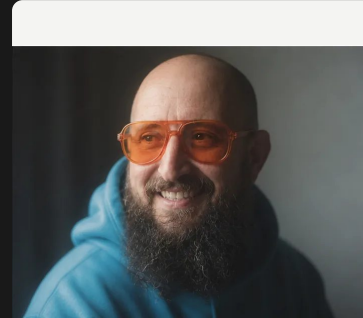

/digicam2003

Y2K · Nostalgie · Meme

PASS

COPY-PASTE TEMPLATE

Use the uploaded image of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Turn it into an early-2000s compact digital-camera photo: cool white balance, blown flash highlights, mild JPEG artifacts, deep depth of field, [[EVERYDAY INDOOR BACKGROUND]] and unpolished consumer-camera realism. Preserve identity, styling and clothing.

Soft-Mist-Porträt

/softMist

Profilbild · Artist-Porträt · Editorial

PASS

COPY-PASTE TEMPLATE

Use the uploaded portrait of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Create a cinematic portrait with a strong black-pro-mist diffusion filter: glowing highlights, soft halation around the brightest existing details, low-contrast shadows, shallow depth of field and [[LIGHT DIRECTION, e.g. gentle window light]]. Preserve identity, hairstyle, accessories, clothing and original colors.

36 ausführliche Bildprompts im echten Test

Replace [[PLACEHOLDERS]] before sending, then upload your own reference image.

Nachtportrait mit Blitz

/directFlash

Streetstyle · Event · Pressebild

PASS

COPY-PASTE TEMPLATE

Use the uploaded image of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Photograph the person outdoors at blue hour with strong on-camera direct flash. Keep the subject bright and crisp against a [[BACKGROUND, e.g. dark city]], with specular highlights on existing reflective details, candid documentary energy and no studio polish. Preserve identity and styling.

360-Grad-Werkstatt

/equirectangular360

Virtuelle Tour · Raumplanung · VR

TEILWEISE

COPY-PASTE TEMPLATE

Use the uploaded image of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Place the person inside a fully detailed [[360-DEGREE ENVIRONMENT, e.g. maker workshop]] and render a true 2:1 equirectangular panorama with ceiling and floor distortion, seamless left and right edges and the subject standing near the center. Preserve identity, body proportions and clothing.

36 ausführliche Bildprompts im echten Test

Replace [[PLACEHOLDERS]] before sending, then upload your own reference image.

Suchbild in der Menge

/crowdSearch

Community · Gewinnspiel · Messe

PASS

COPY-PASTE TEMPLATE

Use the uploaded image of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Create a dense overhead photo of [[CROWDED EVENT, e.g. a maker convention]] with hundreds of people and booths. Hide the referenced person clearly but not centrally like a classic visual-search puzzle. Preserve their actual hairstyle, facial hair, accessories, clothing and colors so they remain findable without inventing new traits.

Creator-Livestream

/creatorLivestream

Stream-Konzept · Kurs · Social Mockup

PASS

COPY-PASTE TEMPLATE

Use the uploaded image of [[PERSON IN THE REFERENCE IMAGE]] as the binding reference. Create a realistic vertical creator-livestream interface showing the person at [[WORKSPACE OR LOCATION]] presenting [[PROJECT OR OBJECT]]. Preserve identity, styling and clothing. Include camera view, readable live comments, viewer count and reaction controls without real platform branding.

36 ausführliche Bildprompts im echten Test

Replace [[PLACEHOLDERS]] before sending, then upload your own reference image.

Sechs Produktansichten

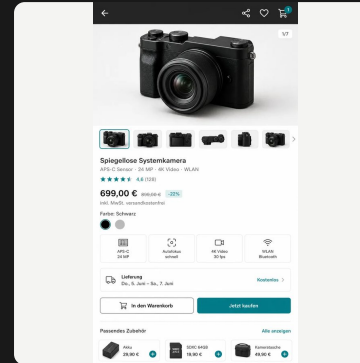

/productAngleGrid

Shop · Kleinanzeigen · Designprüfung

PASS

COPY-PASTE TEMPLATE

Use the uploaded image of [[PRODUCT OR OBJECT]] as the binding reference. Create a clean 2x3 product-photography grid: three-quarter front, side, top, [[DETAIL CLOSE-UP]], [[SCALE CONTEXT]] and a carefully separated exploded view. Preserve the exact geometry, materials, surface finish, colors and every visible mark from the reference. Do not invent branding or components.

Shopseite

/productDetailPage

UI-Mockup · Conversion-Test · Produktpitch

PASS

COPY-PASTE TEMPLATE

Use the uploaded image of [[PRODUCT OR OBJECT]] as the binding reference. Design a polished [[LANGUAGE]] mobile e-commerce product-detail page for it. Include an image gallery, [[PRODUCT TITLE]], rating, [[PRICE]], feature cards, delivery, accessories and purchase buttons. Preserve the product's exact geometry, materials, colors and visible branding status. Use a clean [[UI ACCENT COLOR]] interface without inventing specifications.

36 ausführliche Bildprompts im echten Test

Replace [[PLACEHOLDERS]] before sending, then upload your own reference image.

Technische Zerlegung

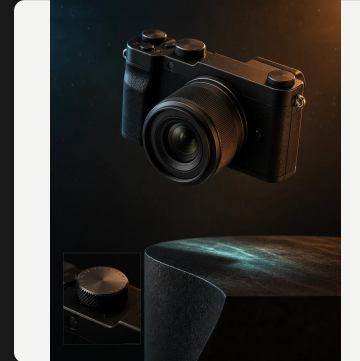

/museumBreakdown

Erklärgrafik · Teardown · Produktentwicklung

PASS

COPY-PASTE TEMPLATE

Use the uploaded image of [[PRODUCT OR OBJECT]] as the binding reference. Create a [[LANGUAGE]] museum-style technical breakdown poster. Show the complete object plus [[KNOWN INTERNAL COMPONENTS]], housings, controls, material samples and a plausible assembly sequence. Preserve the exact exterior geometry, materials, colors and branding status. Do not invent unsupported technical labels; mark uncertain internals as conceptual.

Premium-Werbemotiv

/premiumProductAd

Kampagne · Hero-Bild · Launch

PASS

COPY-PASTE TEMPLATE

Use the uploaded image of [[PRODUCT OR OBJECT]] as the binding reference. Create a premium cinematic advertising image with the object floating above a [[PEDESTAL MATERIAL]] pedestal. Use [[EDGE-LIGHT COLOR]], [[RIM-LIGHT COLOR]], subtle particles and a macro inset of [[DETAIL TO HIGHLIGHT]]. Preserve exact geometry, materials, colors and visible branding status. Add no new logo, slogan or product feature.
